

# 2022 AP PHYSICS-C PREVIEW CLASS

**OPTIONAL IN-PERSON or ON-LINE CLASS**

**\*\*Disclaimer for IN-PERSON Participants**

- 1. MUST be vaccinated**
- 2. Mask is optional but recommended**
- 3. Will use laptop during class / Use internet platform for Class**

**Schedule: 6/14/22(Tue) ~ 7/28/22(Thur)**

**6 weeks / 24 hours**

**Class time: Tue & Thur 9:30-11:30**

**Break 7/2~ 7/9**

**MAINTAIN A  
PHYSICAL DISTANCE**

**Mask  
Recommended**

In the preview class, we will introduce students to the first 6 major areas in AP Physics. The focus of the preview is on basic physics concepts. Students are expected to be actively involved in class discussion. In addition, after each class, students need to do assigned homework to solidify the concepts learned in the class. Any question students may have in the homework will be answered in the following class.

**Live Class interaction**

**Parent Portal: monitor student's performance**

**Weekly Quiz**

**Online HW submission**

**Online testing / Instant quiz & HW result**
